Bluffajo

The essence of the earth miraculously pressed into sleek sexy circles for your easy application and access.

A highly-sophisticated blend of minerals and pigments which are micro-pulverized, using proprietary technology and processes to form microscopic flat crystals.

Fashionista herself (Maisie Dunbar) helps out her team between shows with makeup application.

Designer: Andre Aquino

She's got the look with Bluffajo makeup. She is ready for a cocktail party or night on the town.

Like a work of art, you can achieve eye makeup results from natural-to-intense with Bluffajo shades of dramatic colors.

Designer: Soucha Couture

Bluffajo fashion divas are taking over the runway.

Our Mineral Foundations are a high-tech blend of minerals and pigments delivered from rock and then micro-pulverized and jet milled into microscopic flat crystals, containing no fillers, talc or FD&C dyes.
